Dear Friends and Colleagues:

We are pleased to invite you to become a member of the Rocky Mountain Minority Contractors Association.

The Rocky Mountain Minority Contractors Association (RMMCA) was formed in 2006 to develop the capacity of existing DBE's, while significantly expanding the pool of qualified and talented DBE contractors on road, transit, infrastructure and horizontal construction projects in the State of Colorado. This will be achieved through business partnerships, DBE/Prime relationship-building, an effective mentor/protégé program, and training programs.

We are thrilled to announce many exciting things we have in store for you in 2010.

The first quarter of each year is our membership renewal period and we have kicked-off 2010 with new and exciting features and programs:

- RMMCA is pleased to announce our new Sustainable Business Program, which was developed through a synergistic collaboration with COMTO of Colorado, in an effort to bring cutting edge education and training to our members. This program is sponsored by CCA and selected prime contractors.
The program's comprehensive curriculum is an eight week session that will run from April 8th to July 22nd. Our members can attend all sessions or only those sessions that meet the needs of your firm. [Watch for this information in your in-box next month.](#)
- A One-On-One Coaching & Consulting Program sponsored by CCA to facilitate business growth and development for our members.
- Come and have breakfast with the Prime/General contractors, your first and best source to develop relationships, create partnerships and obtain first hand information about contracting opportunities.
- Watch for a notice on "Save the Date" for RMMCA's next General Membership meeting, which will have industry experts as our keynote speakers.
- RMMCA is excited to announce the launch of a new website. This website offers our members exciting and unique opportunities to show case your firm's profile and capabilities as well as links to your website or statement of qualification.

RMMCA's partnership and collaboration with industry leaders make it possible to bring comprehensive support to your businesses. When money is tight, we want you to know that you are making a good investment.

We hope you will consider joining the Rocky Mountain Minority Contractors Association.

We have attached a registration form and dues invoice for your convenience.

Thank you for your interest in our organization. If you have any questions that have not been addressed in this correspondence or the RMMCA brochure, please feel free to contact us by phone or e-mail.

Together we can make 2010 a great success.

Very truly yours,

RMMCA Board Members
RMMCA is a 501(c) 3 Non-Profit Organization
